Who must file Form 502E?

If you cannot complete and file your Form 502, 503, 505 or 515 by the due date, you should complete the Tax Payment Worksheet on page 1 to determine if you must file Form 502E. If Line 6 of the worksheet shows you owe tax, you must file this form and pay the full amount due by April 15, 2011, (or the fifteenth day of the fourth month following the close of the tax year). If the due date falls on a Saturday, Sunday or legal holiday, the return must be filed by the next business day.

NOTE: Filing an extension does not extend the time for paying your taxes.

Do not file Form 502E if you want the Revenue Administration Division to figure your tax. Simply provide us with the necessary information and a written request for us to complete the return. Also, if you have completed your return but are unable to pay your tax in full, do not file Form 502E. File your return.

Do not file Form 502E if, after completing the Tax Payment Worksheet, you find that you do not owe additional tax. However, please be aware that if an unpaid liability is disclosed when you file your return, you may owe penalty and interest charges in addition to the tax. See “Will I owe penalties and interest?” in the column to the right.

Automatic Maryland six-month extension

If you filed a federal extension and expect to owe zero tax to Maryland we grant you an automatic six-month extension of time to file your Form 502, 503, 505 or 515. **You are not required to file Form 502E in order to obtain this automatic extension.** However, you should use Form 502E to pay any tax due in order to avoid any late-payment penalty and interest on tax not paid by April 15, 2011.

When requesting an extension beyond six months, how should I file?

No extension request will be granted for more than six months, except in the case of individuals who are out of the United States. Even when an individual is out of the U.S. an extension will not be granted for more than one year. An extension request for beyond six months without a payment should be filed by telefile or on our Web site. See telefile and Web site information in first column.

When should I file?

If you owe any tax, file Form 502E along with your payment on or before April 15, 2011. If you are filing on a fiscal year basis, file by the regular due date of your return.

Where should I file?

You may request your extension at www.marylandtaxes.com and use electronic funds withdrawal (direct debit) from your savings or checking account. If you want to pay by credit card see below; otherwise, make your check or money order payable to: **COMPTROLLER OF MARYLAND.**

It is recommended that you include your Social Security number on check using blue or black ink.

Mail to: **Comptroller of Maryland, Revenue Administration Division, Annapolis, MD 21411-0001**

Will I owe penalties and interest?

You will owe interest on tax not paid by the regular due date of your return. The interest will accrue until you pay the tax. Even if you had a good reason for not paying on time, you will still owe interest.

If tax and interest are not paid promptly, a penalty will be assessed on the tax.

Should I attach a copy of the extension form to my Form 502, 503, 505 or 515?

You do not have to attach anything to your return relating to your extension.

What if I want to pay by direct debit?

You may pay by direct debit by visiting our Web site at www.marylandtaxes.com. Under On-line Services, click on “request an extension”.

The credit card processor will ask a series of questions that you will answer by using your telephone keypad when using the telephone option.

There will be a convenience fee assessed to your credit card account by the credit card processor. The State of Maryland will not receive this convenience fee. Do not include the convenience fee with your tax.
