SECTION IV

INSTRUCTIONS - SECTIONS I - IV OF MET 1

For estates of decedents dying after December 31, 2009 and before January 1, 2011

Indicate whether the return is an "original" filing or an "amended" return and whether alternate valuation is elected. Also indicate in the check box if the federal return, Form 706, has been or will be filed with the Internal Revenue Service.

IMPORTANT NOTE: The federal estate tax does not apply to decedents dying after December 31, 2009 and before January 1, 2011. Under present federal estate tax law, any decedent dying after December 31, 2010 may again be subject to a federal estate tax.

The changes to the Maryland estate tax enacted by the General Assembly since 2002 anticipated periods of time when the federal estate tax would not be in effect. Thus, the Maryland estate tax remains in full force and effect. For decedents dying after December 31, 2009, estates with a gross estate plus adjusted taxable gifts valued at \$1,000,000 or more continue to be required to file a Maryland estate tax return. The provisions of the Maryland estate tax that became effective for decedents dying after December 31, 2005 continue to be applicable.

During 2010 when the federal estate tax does not apply, the Maryland estate tax is still equal to the federal allowable credit for state death taxes, without reduction by any Act of Congress enacted on or after January 1, 2001, and the Maryland estate tax is determined using the other provisions of federal estate tax law as in effect on December 31, 2009. A prepared pro forma federal Form 706 must be filed with the MET 1. If Congress does not act to retroactively re-instate the federal estate tax for decedents dying after December 31, 2009, you must use the 2009 federal Form 706 with the 2010 MET 1.

Section I Complete *all* of the information concerning the decedent.

Section II Enter the information concerning all person(s) responsible for filing the return.

Enter the information to indicate where correspondence should be sent. This is the individual the Comptroller will contact if additional information is required or if a deficiency/refund notice is necessary. The person(s) responsible for filing the return will be contacted in the event the contact person does not respond or if no contact person is listed. **All person(s) responsible for filing the return must sign and date the return.**

Section III This section will be completed by the Register of Wills if the Maryland estate tax return is filed with the Register of Wills. If return is filed directly with the Comptroller, the Certification of Inheritance Tax must be submitted by separate document provided by the Register of Wills.

Note: A Maryland estate tax return is not deemed complete for processing until the Certification of Inheritance Tax is received by the Comptroller. Failure to file the Certification of Inheritance Tax with the return will cause a delay in the processing of your return.

Section IV Computation of Maryland estate tax for estates of decedents dying after December 31, 2009. Complete the federal estate tax return, Form 706, for the year of the decedent's death, regardless of whether Form 706 is required to be filed with the Internal Revenue Service. If Congress does not act to retroactively re-instate the federal estate tax for decedents dying after December 31, 2009, you must use the 2009 federal Form 706 with the 2010 MET 1.

Include the federal return, complete with all schedules, attachments and supporting documents when filing the Maryland estate tax return. The value of the property of the estate must be based upon fair market value/appraisals from Certified Appraisers.

Line 2 Complete Schedule C and enter the value, as of the decedent's date of death (or alternate valuation date, if elected), of Maryland Qualified Terminable Interest Property (QTIP) for which an election was previously made on a Maryland estate tax return filed for the estate of the decedent's predeceased spouse. Do not include QTIP property that is already included in line 1.

Line 5 If an election for Maryland Qualified Terminable Interest Property (QTIP) is being made in the current return, complete Schedule D and enter the total amount of Maryland QTIP on line 5 of the Maryland estate tax return.

Note: Do not attempt to make a Maryland QTIP election on the pro forma Schedule M of federal Form 706; all Maryland QTIP elections must be made on Schedule D of the MET 1.

- Lines 11-12 Apportionment of state death tax credit.
- If the augmented gross estate on line 3 includes only Maryland property, skip to line 13. If the augmented gross estate on line 3 includes Maryland property and property located outside the state of Maryland, complete Maryland Schedule A first. Then enter on line 11, the percentage of the Maryland estate from line 27 on Schedule A. Multiply line 11 times line 10 and enter the result on line 12.
- Line 13 If the augmented gross estate includes only Maryland property, enter the lesser of line 9 or line 10. If the augmented gross estate includes property in Maryland and outside the state, enter the lesser of line 9 or 12. The amount reported on line 13 is the gross Maryland estate tax liability. This amount must be satisfied by the due date of the return shown on page 1 to avoid interest and penalty.
- Line 14b Enter the portion of any tax paid to another state or territory, on property included in the Maryland estate shown on line 26 of Schedule A. You must provide evidence of payment and attach your computation of this credit.
- Line 16a Enter the total of any payments remitted as estimated payments with a filing extension or payments remitted in advance of the filing of the return.
- Line 16b Enter the total Maryland estate tax paid with previously filed returns.
- Line 18 Interest is assessed on any portion of the Maryland estate tax liability (line 13) that is not satisfied by the statutory due date on page 1 of the return. Request Administrative Release #14 for the current interest rates. Interest is calculated from the due date to the date of payment.
- Line 19 Late payment penalty of up to 10 percent is assessable on any portion of the Maryland estate tax (line 15) that is not satisfied by the statutory due date on page 1 of the return. A 25 percent non-compliance penalty is assessed for failure to comply with a notice and demand for the filing of the return within the time prescribed. A penalty of 25 percent of the amount of the underpayment of tax is assessed where the underpayment is attributable to any substantial estate tax valuation understatement and where the underpayment is greater than \$5,000.
- Line 20-22 Add lines 17, 18 and 19 and enter the total on line 20. If the total is a balance due, enter on line 22 and remit to the Comptroller with the remittance advice form. If the total is an overpayment, enter on line 21 the amount refundable. This may not exceed the total amount previously paid to the Comptroller.

GENERAL INSTRUCTIONS

For estates of decedents dying after December 31, 2009 and before January 1, 2011

When the Form MET 1 must be filed: A Maryland estate tax return (Form MET 1) must be filed where the federal gross estate plus adjusted taxable gifts plus, property for which a Maryland QTIP election was previously made on a Form MET 1 filed for the estate of the decedent's predeceased spouse equals or exceeds \$1,000,000, and the decedent at the date of death was:

1. A resident of the State of Maryland or
2. A nonresident of the State of Maryland whose estate includes any interest in real property permanently located in this State; or tangible personal property that has a taxable situs in this State.

The Maryland estate tax return must be filed within nine months after the date of death of the decedent, even if the federal estate tax return (IRS Form 706) is not required to be filed with the Internal Revenue Service.

Who must file Form MET 1: The duly appointed personal representative shall file the return. If there is more than one personal representative, the return must be made jointly by all. If there is no personal representative appointed, every person in actual or constructive possession of any property of the decedent is required to make and file a return.

Where to file return: The Maryland estate tax return is filed with the Register of Wills of Baltimore City or the county in which the Maryland estate is being administered, or where the property is located in the case of a nonresident decedent. The Register of Wills shall certify the amount of inheritance tax paid and forward the return to the Comptroller. The Maryland tax return may also be filed directly with the Comptroller in which case the Certification of Inheritance Tax must be submitted on a separate document provided by the Register of Wills. **Note: The Maryland estate tax return is not deemed complete for processing until the Certification of Inheritance Tax is received by the Comptroller.**

Failure to file the Certification of Inheritance Tax will result in a delay in the processing of your return.

What to include with the return: When filing the Maryland estate tax return, include Maryland Schedule A if applicable, Maryland Schedule B, Maryland Schedule C if applicable, Maryland Schedule D if applicable, and the federal estate tax return, Form 706, including schedules, attachments and supporting documents. The value of the property of the estate must be based upon fair market value appraisals from Certified Appraisers.

Note: If you are not required to file a federal estate tax return but are required to file a Maryland estate tax return, attach a copy of the pro forma federal Form 706 prepared, with schedules and supporting documentation, as though a federal return was required. If Congress does not act to retroactively re-instate the federal estate tax for decedents dying after December 31, 2009, you must use the 2009 federal Form 706 with the 2010 MET 1.

Alternate Valuation: With regard to an election to value property as provided in §2032 of the Internal Revenue Code, if a federal estate tax return is not required to be filed with the Internal Revenue Service, an irrevocable election made on a timely filed Maryland estate tax return shall be deemed to be an election as required by §2032(d) of the Internal Revenue Code. In such cases, the provisions of §2032(c) of the Internal Revenue Code do not apply. An election may not be made unless that election will decrease the value of the gross estate, and the Maryland estate tax due with regard to the transfer of a decedent's Maryland estate. Report an election for alternate valuation of property by entering a check mark in the appropriate box on the front page of the Maryland estate tax return, and by reporting the same on the pro forma Form 706 filed with the MET 1. You must attach all of the required statements and appraisals. In cases in which a federal estate tax return is filed with the Internal Revenue Service, an election for alternate valuation of property for Maryland estate tax purposes must be the same as the election made for federal estate tax purposes.

Extension of time to file: The Comptroller may extend the time to file an estate tax return up to 6 months, or if the person required to file the estate tax return is out of the United States, up to 1 year.

An application form, MET 1E must be filed with the Comptroller on or before the statutory due date and should include: a copy of the federal extension request, Form 4768, if applicable; remittance of the estimated Maryland estate tax; or a request for an alternative payment schedule. See Administrative Releases #4 and #30 for additional instructions.

When and Where to pay the tax: The Maryland estate tax is payable to the Comptroller of Maryland nine months from the date of death. The check should be mailed directly to the Comptroller of Maryland, Revenue Administration Division, P.O. Box 828, Annapolis, Maryland 21404-0828 with the remittance form MET 3 that is included in the return package. The Comptroller may allow an alternative payment schedule for the Maryland estate tax in the form of a payment deferral or installment payment plan. See Administrative Release #30 for specific procedures.

Interest, Penalties and Liens: Interest will accrue at the statutory rate on unpaid Maryland estate tax from the due date of the return to the date of actual payment. See Administrative Release #14 for current rates. Penalties are provided by statute for:

1. failure to pay the tax when due - up to 10 percent; and
2. failure to comply with Notice and Demand - 25 percent; and
3. substantial estate tax valuation understatement - a 25 percent penalty applies to any underpayment of Maryland estate tax if the underpayment exceeds \$5,000 and is attributable to a "substantial estate tax valuation understatement," which is defined as a valuation at 60 percent or less of the amount determined to be the correct value.

Unpaid tax, interest and penalties, become subject to lien in favor of the state upon all property and rights to the property belonging to the estate.

Reporting of Adjustments: After a Maryland estate tax return has been filed, an amended Maryland estate tax return (Form MET 1) shall be filed if the Maryland estate tax liability is increased because of:

1. a change in the federal gross estate, federal taxable estate, federal estate tax, or other change as determined under the Internal Revenue Code;
2. after-discovered property;
3. a correction to the value of previously reported property;
4. a correction to the amount of previously claimed deductions; or
5. any other correction to a previously filed return.

The amended return shall be filed within 90 days **after the later to occur of the date of the event** that caused the increase in the Maryland estate tax liability or the date on which the person required to file an amended Maryland estate tax return learned or reasonably should have learned of the increase in the Maryland estate tax liability. Any additional tax, interest and penalties determined to be due shall be paid to the Comptroller of Maryland at the same time the amended return is filed.

An amended Maryland estate tax return is not deemed complete for processing until the Certification of Inheritance Tax is received by the Comptroller. Failure to file the Certification of Inheritance Tax will result in a delay in the processing of your return.

Refund of Excess Payment: If an adjustment results in a decrease in the Maryland estate tax, the person responsible for filing the Maryland estate tax return shall file an amended return (Form MET 1) to claim a refund of previously paid Maryland estate tax. Claims shall be supported with documents required by the Comptroller. Refunds found to be due shall be paid by the Comptroller as provided for in Section 13-901, Tax-General Article, Annotated Code of Maryland.
