 Sec $\widetilde{V}^{\text{EW}}$ beginning after December 31, 2022, the election must be made, if at all, with the first filing of the tax year. Entities must check either Box A to indicate they are electing to pay tax at the entity level with respect to all members' shares or Box B to indicate they are paying tax only on behalf of nonresident members. An entity that checks Box A must file Form 511 as the year-end return. An entity that checks Box B must file Form 510 as the year-end return. Unless this extension is the first filing made for this tax year, the same box that was checked on previous filings must be checked for this extension. If this is your first filing and neither box is checked, the Comptroller will deem you to have chosen to pay tax only on behalf of nonresident members, and that decision will be irrevocable. If this is your first filing and both boxes are checked in error, the Comptroller will deem you have elected to pay tax at the entity level with respect to all members' shares, and that decision will be irrevocable.
