MET-2 ADJ INSTRUCTIONS

Form MET-2 ADJ is an application for refund of Maryland estate tax. It may be used when the personal representative(s) elects to direct the Comptroller to pay the Maryland estate tax refund directly to the Register of Wills to be applied against inheritance tax due on an estate.

- The personal representative(s) completes the application, except for Section A and forwards the completed application to the Register of Wills to whom the inheritance tax is due.
- The Register of Wills completes Section A, certifying the balance of inheritance tax due and forwards the application to the Comptroller's Office - Estate Tax Unit.

Upon approval of the claim, the Comptroller will process the Maryland estate tax refund payable to the Register of Wills and forward the payment to the appropriate Register of Wills Office. Notice will be sent to the estate's representative advising that payment has been made to the Register of Wills.

If the Comptroller determines the claim is disallowed or for an incorrect amount, the estate's representative will be notified.

An amended Maryland estate tax return is not required to be filed with this refund application.
