Welcome to the Maryland 2024 Tax Year Booklet

Reflecting on the first two years of a four-year term, I am proud that our team has worked to modernize our agency and engage with Marylanders. We launched Maryland Tax Connect – a new and improved self-service portal for business tax filing and our agency’s first-ever report on the State of the Economy! This year’s rotation of covers highlights some of Maryland’s unique cultural institutions, showcasing our state’s museums that preserve its rich history and culture. While we couldn’t feature all the incredible museums to visit across Maryland, we proudly celebrate these three treasured institutions. Read below to learn more and send us your ideas on the attributes that make Maryland special that we should highlight in the coming years!

The Washington County Museum of Fine Arts

Founded by Anna Brugh Singer and her husband William H. Singer, Jr. in Hagerstown, Maryland, the Washington County Museum of Fine Arts opened its doors in 1931 and expanded twice - in 1949 and 1994. The firm Hyde & Shepherd designed the building in the neo-Georgian style and features red brick construction trimmed with local limestone. The American Association of Museums accredited the museum in 1997 and it is the only art museum in Western Maryland to hold this honor. The museum’s collection has grown to include over 6,000 art objects.

The Chesapeake Bay Maritime Museum

The Chesapeake Bay Maritime Museum was founded in 1965 as a project of the Historical Society of Talbot County, which obtained three waterfront houses along St. Michael Harbor. The museum was once a site for seafood packing houses, docks, and work boats, and it currently houses a wide range of exhibits, artifacts, and vessels from the Chesapeake Bay. The museum has interactive displays that showcase the Bay’s history and physical and economic environments. It makes for a great visit for adults and children alike!

The Baltimore Museum of Industry

Founded in 1977, the Baltimore Museum of Industry (BMI) interprets the diverse and significant human stories behind labor and innovation in Baltimore, cultivating a sense of belonging and inspiring visitors to think critically about the intersection of work and society. Located in an 1860s oyster cannery on a five-acre waterfront campus, the BMI offers dynamic indoor and outdoor exhibitions, live demonstrations, tours, and hands-on activities for visitors of all ages. Current exhibitions explore the rise and fall of Bethlehem Steel at Sparrows Point, labor activism and unions in 21st century Baltimore, and the role of corner bars as social gathering spaces at the turn of the century.

The Francis Scott Key Bridge spanning Baltimore’s Patapsco River carried workers for nearly a half century—to steel mills, sugar refineries, and offices downtown. When it collapsed on March 26, 2024, it was being repaired by middle-of-the-night laborers filling potholes so Marylanders would have a safer ride to their jobs. In response, the museum has launched an oral history project to preserve the stories of people whose livelihoods have been impacted by the bridge collapse. The stories and materials collected will form the basis of public programs and a future long-term exhibition at the BMI about the Port, its history, and the jobs it sustains.

A MESSAGE FROM THE COMPTROLLER

Dear Marylander,

Greetings! Thank you for taking the time to review our 2024 Maryland State Tax Forms and Instructions. We compile this publication each year to help guide Marylanders through the tax filing process and provide updates on tax code changes.

Our team at the Office of the Comptroller has been hard at work over the last year to begin an important revitalization in the agency. Guided by our agency-wide vision – to work in partnership to create a state that is more equitable, more resilient, and more prosperous so that every Marylander can reach their full potential – we set forth an ambitious agenda to modernize the agency and our infrastructure, obtain much-needed resources to better serve Marylanders throughout the state, and ensure Maryland is well-positioned for responsible long term economic growth and success.

The Comptroller's Office released the agency's inaugural State of the Economy Report in January, using economic data from 2023. My team led this collaborative effort to better understand the forces at play that have led the state to receive less revenue in the past year. Future reports will dive into specific areas uncovered by our findings. You can find all our research reports at marylandtaxes.gov/research to learn more.

As part of a much-needed modernization effort, we have launched Maryland Tax Connect, a self-service portal that now allows Maryland businesses to file their taxes online with increased ease and security, enabling taxpayers to interact with the Comptroller's Office more efficiently. The portal is designed to allow taxpayers to complete essential functions and is accessible from a mobile device or a desktop. Our goal is for all Maryland taxpayers to be able to pay their state taxes and track their tax payments in this new system by 2026. For more information, visit marylandtaxes.gov/MDTaxConnect.

Additionally, during the 2025 tax season, eligible Marylanders will be able to file their state and federal taxes for free through the new Direct File program. Direct File is a new, simple, and secure tax filing software developed by the IRS in partnership with the Comptroller of Maryland, which will allow eligible taxpayers to prepare and file their tax returns online, directly with the government. Visit marylandtaxes.gov/directfile to learn more about this and other options available for Marylanders to file their taxes this year.

I am also pleased to report that we had another successful legislative session this past year. With broad stakeholder support, and in partnership with Governor Wes Moore, Senate President Bill Ferguson, and Speaker Adrienne Jones, we obtained additional resources for the Comptroller's Office, including new positions to advance hiring efforts across the agency and \$8.5 million for cybersecurity, training, audit efforts, equipment upgrades, maintenance, fraud, and accessibility-related projects, including translation services.

We also passed all six of our priority bills in our legislative package. Over the long term, these bills will help Marylanders by providing tax assistance funding for low-income residents of Maryland, supporting our agency's compliance efforts, preventing and punishing tax preparer scams, promoting online filing, and providing resources to help raise awareness of personal income tax credits.

We look forward to working with you, your community, or your business. Only by building solid partnerships can we ensure the growth and thriving of our communities and businesses. Please call our team for assistance at 1-800-MD-TAXES or email us at taxhelp@marylandtaxes.gov.

Be well and please keep in touch!

My best,

Brooke E. Lierman

All items reported on your Maryland return are subject to verification, audit, and revision by the Maryland State Comptroller's Office.

3 MARYLAND HEALTHCARE COVERAGE.

The Maryland General Assembly enacted Chapter 423 in the 2019 Session requiring the collection of certain information, including whether an individual is uninsured at the time the tax return is filed and whether the individual is interested in having Maryland Health Connection ("MHC") determine whether an individual may be eligible for insurance affordability programs, such as no-cost or low-cost minimum essential health care coverage.

Check the appropriate box on Form 502 for you and/or your spouse if you are uninsured as of the date you file your return. If you would like MHC to determine pre-eligibility for health insurance affordability programs for any uninsured member of your household, you must also check the box on Form 502 indicating you authorize the Comptroller to share information from your tax return with MHC, which is operated by the Maryland

Health Benefit Exchange.

For each dependent identified on Form 502B, check the appropriate box to indicate if that dependent is an uninsured individual as of the date the return is filed.

You must provide the date of birth for any uninsured individual who is interested in obtaining minimum essential health coverage.

If you authorize information sharing, we will share the following information with MHC:

- Name, SSN/ITIN, and date of birth of each individual identified on your return;
- Your current mailing address, email address, and phone number;
- Filing status reported on your return;
- Total number of individuals in your household included in your return;
- Insured/uninsured status of each individual included in your return;
- Blindness status;
- Relationship (self, spouse, or dependent) to the primary taxpayer for each individual included in your return; and
- Your federal adjusted gross income amount from Line 1.

Information shared with MHC will be used to determine eligibility for insurance affordability programs or to assist with enrollment in health coverage. If you would like more information about the health insurance affordability programs or health care coverage enrollment, visit MarylandHealthConnection.gov/easyenrollment/.

4 NAME AND ADDRESS.

Print using blue or black ink.

Enter your name exactly as entered on your federal tax return. If you changed your name because of marriage, divorce, etc., be sure to report the change to the Social Security Administration before filing your return. This will prevent delays in the processing of your return.

Enter your current address using the spaces provided. On Current Mailing Address Line 1, enter the street number and street name of your current address. If using a PO Box address, enter "PO Box" and the PO Box number on Current Mailing Address Line 1. 5 SOCIAL SECURITY NUMBER(S) (SSN).

It is important that you enter each digit of your Social Security number in the space provided at the top of your tax return. Missing or unreadable digits will delay the processing of your return. Your name must match the name on your current Social Security card to ensure you receive your personal exemption. If your name does not match the name on your Social Security card, contact the federal Social Security Administration at 800-722-1213, or visit ssa.gov.

The Social Security number(s) must be a valid number issued by the Social Security Administration of the United States Government. If you, your spouse, or dependent(s) do not have a Social Security number and you are not eligible to get a SSN, **you must apply for an Individual Taxpayer Identification Number (ITIN) with the IRS and you should wait until you have received it before you file; and enter it wherever your Social Security number is requested on the return.**

A missing or incorrect SSN or ITIN could result in the disallowance of any credits or exemptions you may be entitled to and result in a balance due.

A valid SSN or ITIN is required for any claim or exemption for a dependent. If you have a dependent who was placed with you for legal adoption and you do not know their SSN, you must get an Adoption Taxpayer Identification Number (ATIN) for the dependent from the IRS.

If your child was born and died in this tax year and you do not have a SSN for the child, complete just the name and relationship of the dependent and enter code **322**, on one of the code number lines located to the right of the telephone number area on page 4 of the form; attach a copy of the child's death certificate to your return.

6 MARYLAND POLITICAL SUBDIVISION INFORMATION (REQUIRED).

Fill in the lines for your Maryland physical address of the taxing area as of December 31, 2024, including political subdivision lines, based on your residence on the last day of the taxable period. Part-year residents fill in the lines for your Maryland physical address, including political subdivision lines, based on your last day of residence in Maryland in the taxable period. Military personnel who are legal residents of Maryland should fill in the lines for your Maryland physical address, including political subdivision lines,

based on the Maryland physical address that is used for claiming Maryland as your Home of Record on file with the Defense Finance and Accounting Service for tax year 2024.

1. Find your 4-Digit Political Subdivision Code in the LIST OF INCORPORATED CITIES, TOWNS, AND TAXING AREAS IN MARYLAND and enter this number on the 4 DIGIT POLITICAL SUBDIVISION CODE line.

When selecting the 4 Digit Political Subdivision Code, be sure that you have selected the proper political subdivision from the LIST OF INCORPORATED CITIES, TOWNS AND TAXING AREAS IN MARYLAND. Do not rely on your ZIP Code + 4 to identify the proper political subdivision. For example, most residents within the ZIP Code of Upper Marlboro do not reside in the political subdivision of the Town of Upper Marlboro. Therefore, entering the Town of Upper Marlboro on the 4 DIGIT POLITICAL SUBDIVISION CODE line for those with a ZIP Code in Upper Marlboro may not be correct. Also, some political subdivisions have similar names such as Bel Air in Allegany County and Town of Bel Air in Harford County or Town of Chevy Chase and Town of Chevy Chase View. You may contact your county seat for further information relating to the incorporated boundaries of incorporated cities, towns, and taxing areas in your county.

EXEMPTION AMOUNT CHART (10A)

The personal exemption is \$3,200. This exemption is reduced once the taxpayer's federal adjusted gross income exceeds \$100,000 (\$150,000 if filing Joint, Head of Household, or Qualifying Surviving Spouse with Dependent Child). This reduction applies to the additional dependency exemptions as well; however, it does not apply to the taxpayer's age or blindness exemption of \$1,000. Use the chart to determine the allowable exemption amount based upon the filing status. **NOTE:** For certain taxpayers with interest from U.S. obligations see Instruction 13, Line 13, code hh for applicable exemption adjustment.

Total the exemption amount on the top of page 2 Form 502 to determine the total exemption allowance to subtract on Line 19 of Form 502.

If you itemized your deductions on the joint federal return, one spouse may use the standard deduction and the other spouse may claim those deductions on the federal return that are "attributable exclusively" to that spouse, plus a prorated amount of the remaining deductions. If it is not possible to determine these deductions, the deduction must be allocated proportionately based on your share of the income.

"Attributable exclusively" means that the individual is solely responsible for the payment of an expense claimed as an itemized deduction, including compliance with a valid court order or separation agreement; or the individual jointly responsible for the payment of an expense claimed as an itemized deduction can demonstrate payment of the full amount of the deduction with funds that are not attributable in whole or in part, to the other jointly responsible individual.

If both spouses choose to itemize on their separate Maryland returns, then each spouse must determine which deductions are attributable exclusively to each spouse and prorate the remaining deductions using the Maryland Income Factor. See Instruction 26k. If it is not possible to determine deductions in this manner, they must be allocated proportionately based on their respective shares of the income. The total amount of itemized deductions for both spouses cannot exceed the itemized deductions on the federal return.

If you choose to use the standard deduction method, use STANDARD DEDUCTION WORKSHEET (16A) in Instruction 16. Each spouse must claim their own personal exemption. Each spouse may allocate the dependent exemptions in any manner they choose. A dependent may not be claimed twice. The total number of dependents claimed may not exceed the overall number of dependents.

Complete the remainder of the form using the instructions for each line. Each spouse should claim their own withholding and other credits. Joint estimated tax paid may be divided between the spouses in any manner provided the total claimed does not exceed the total estimated tax paid.

Note: In the event of legislative changes (for example, emergency legislation or a veto override of legislation from a prior legislative session) that retroactively affect tax year 2024, the Comptroller will provide additional instruction on the use of Form 502LU. The amount on Line 4 of Form 502LU is added to Line 6 Total additions.

13 SUBTRACTIONS FROM INCOME.

Determine which subtractions from income apply to you. Write the correct amounts on Lines 8 through 14 of Form 502. Instructions for each line:

Line 8. STATE TAX REFUNDS. Copy onto Line 8 the amount of refunds of state or local income tax included in Line 1 of Form 502.

Line 9. CHILD AND DEPENDENT CARE EXPENSES. You may subtract the cost of caring for your dependents while you work. There is a limitation of \$3,000 (\$6,000 if two or more dependents receive care). Enter on Line 9 the **smaller** of (a) the amount on Line 6 of federal Form 2441 or (b) \$3,000 (\$6,000 if two or more dependents receive care). You may also be entitled to credits for these taxable expenses. See instructions for Part B and Part CC of Form 502CR.

Line 10a. PENSION EXCLUSION. You may be able to subtract some of your taxable pension and retirement annuity income. This subtraction applies only if:

- a. You were 65 or over **or** totally disabled, or your spouse was totally disabled, on the last day of the tax year, **AND**
- b. You included on your federal return taxable income received as a pension, annuity, or endowment from an "employee retirement system" qualified under Sections 401(a), 403 or 457(b) of the Internal Revenue Code. [A traditional IRA, a Roth IRA, a rollover IRA, a simplified employee plan (SEP), a Keogh plan, an ineligible deferred compensation plan or foreign retirement income does not qualify.]

Note: For additional information regarding qualified plans pension exclusion, refer to FAQs #2 on page iii Resident Booklet; and Form 502R Instructions; and the chart of Form 502R.

Each spouse who receives taxable pension or annuity income and is 65 or over or totally disabled may be entitled to this exclusion. In addition, if you receive taxable pension or annuity income but you are not 65 or totally disabled, you may be entitled to this exclusion if your spouse is totally disabled. Complete a separate column in the PENSION EXCLUSION COMPUTATION WORKSHEET (13A) for each spouse. Combine your allowable exclusion and enter the total amount on Line 10a, Form 502. On Line 10a, Form 502 check the applicable box(es) for yourself and/or spouse.

To be considered totally disabled, you must have a mental or physical impairment which prevents you from engaging in substantial gainful activity. You must expect the impairment to be of long, continued, or indefinite duration or to result in your death. You must attach to your return a certification from a qualified physician stating the nature of your impairment and that you are totally disabled. If you have previously submitted a physician's certification, attach your own statement that you are still totally disabled and that a physician's certification was submitted before.

If you are a part-year resident, complete PENSION EXCLUSION COMPUTATION WORKSHEET (13A) using total taxable pension and total Social Security and railroad retirement benefits as if you were a full-year resident. Prorate the amount on Line 5 by the number of months of Maryland residence divided by 12.

However, if you began to receive your pension during the tax year you became a Maryland resident, use a proration factor of the number of months you were a resident divided by the number of months the pension was received.

For example, Pat Taxpayer moved to Maryland on March 1. If he started to receive his pension on March 1, he would prorate the pension exclusion by 10/10, which would mean he would be entitled to the full pension exclusion. However, if he began to receive his pension on February 1, Pat would prorate his pension by 10/11. Note that, in any case, the proration factor may not exceed 1.

Complete the PENSION EXCLUSION COMPUTATION WORKSHEET (13A). Copy the amount from Line 5 of the worksheet onto Line 10a, Form 502. On Line 10a, Form 502 check the applicable box(es) for yourself and/or spouse.

Note: You must complete and attach Form 502R to Form 502 if you or your spouse are claiming a pension exclusion on Line 10a of Form 502. See Form 502R for additional information.

Line 10b. PENSION EXCLUSION FOR RETIRED FOREST/PARK/WILDLIFE RANGER. An individual taxpayer may not claim BOTH the standard Pension Exclusion and the Pension Exclusion for Retired Forest/Park/Wildlife Ranger. If you are 65 or older on the last day of the calendar year, you are totally disabled, or your spouse is totally disabled, and you have received qualified pension income, you should complete the PENSION EXCLUSION COMPUTATION WORKSHEET (13A) regardless of your prior work history. It is permissible for one spouse to claim the standard Pension Exclusion and the other spouse to claim the Pension Exclusion for Retired Forest/Park/Wildlife Ranger, if each spouse meets the applicable required criteria.

If you meet the following criteria, use the RETIRED FOREST/PARK/WILDLIFE RANGER PENSION EXCLUSION COMPUTATION WORKSHEET (13E) to calculate your eligible pension exclusion:

- a. You were 55 or over on the last day of the tax year, AND
- b. You were not 65 or older, or totally disabled, or have a spouse who is totally disabled, AND
- c. You included on your federal return taxable income received as a pension, annuity, or endowment from an "employee retirement system" qualified under Section 401(a), 403 or 457(b) of the Internal Revenue Code (a traditional IRA, a Roth IRA, a rollover IRA, a simplified employee plan (SEP), a Keogh plan, an ineligible deferred compensation plan for foreign retirement income does not qualify.), AND
- d. The retirement income is attributable to your service as a Forest/Park/Wildlife Ranger of the United States, the State of Maryland or a political subdivision of Maryland.

Each spouse who meets the above requirements may be entitled to the exclusion. If each spouse is eligible, complete a separate column on the RETIRED FOREST/PARK/WILDLIFE RANGER PENSION EXCLUSION COMPUTATION WORKSHEET (13E). Combine your allowable exclusions from Line 8 of the worksheet and enter the total amount on Line 10b, Form 502. On Line 10b, Form 502 check the applicable box(es) for yourself and/or spouse.

If you are a part-year resident, complete the RETIRED FOREST/PARK/WILDLIFE RANGER PENSION EXCLUSION COMPUTATION WORKSHEET (13E) using total taxable pension and total Social Security and railroad retirement benefits as if you were a full-year resident. Prorate the amount on Line 8 by the number of months of Maryland residence divided by 12. However, if you began to receive your pension during the tax year you became a Maryland resident, use a proration factor of the number of months you were a resident divided by the number of months the pension was received. Copy the prorated amount from Line 8 of the worksheet onto Line 10b, Form 502.

For example, Pat Taxpayer moved to Maryland on March 1. If he started to receive his pension on March 1, he would prorate the pension exclusion by 10/10, which would mean he would be entitled to the full pension exclusion. However, if he began to receive his pension on February 1, Pat would prorate his pension by 10/11. In any case, the prorated factor may not exceed 1.

year (taxable or nontaxable) from Social Security or Railroad Retirement (Tier I or Tier II). See Form 502R for additional information.

If multiple subtractions apply, be sure to identify all of them on Form 502SU and attach it to your Form 502.

Line 15. TOTAL SUBTRACTIONS. Add Lines 8 through 14. Note: In the event of legislative changes (for example, emergency legislation or a veto override of legislation from a prior legislative session) that retroactively affect tax year 2024, the Comptroller will provide additional instruction on the use of Form 502LU. The amount on Line 8 of Form 502LU is added to Line 15 Total subtractions.

14 ITEMIZED DEDUCTIONS.

If you figure your tax by the ITEMIZED DEDUCTION METHOD, complete Lines 17a and b on Form 502. (See Instruction 16 to see if you will use the ITEMIZED DEDUCTION METHOD.)

Copy the amount from federal Form 1040, Schedule A, Line 17, Total Itemized Deductions, on Line 17a of Form 502. Certain items of federal itemized deductions are not eligible for State purposes and must be subtracted from Line 17a. State and local income taxes used as a deduction for federal purposes must be entered on Line 17b (there are certain limitations on the deduction amount of state and local tax. For more information, visit marylandtaxes.gov). Also, any amounts deducted as contributions of Preservation or Conservation Easements for which a credit is claimed must be added to Line 17b.

You are not required to itemize deductions on your Maryland return because you have itemized deductions on your federal return. Figure your tax each way to determine which method is best for you.

If your unreimbursed business expenses include depreciation to which an adjustment is required for Maryland purposes, complete Form 500DM to calculate the addition modification "I" or subtraction modification "bb."

15 FIGURE YOUR MARYLAND ADJUSTED GROSS INCOME.

Complete Lines 1–16 on Form 502. Line 16 is your Maryland adjusted gross income.

16 FIGURE YOUR MARYLAND TAXABLE NET INCOME.

To find your taxable income you must subtract either the standard deduction from the worksheet or the itemized deductions you have entered on Line 17 of Form 502. The ITEMIZED DEDUCTION METHOD will lower your taxes if you have enough deductions. If you are not certain about which method to use, figure your tax both ways to determine which method is best for you. Check one of the deduction method boxes to indicate which method you will use.

STANDARD DEDUCTION METHOD

The STANDARD DEDUCTION METHOD gives you a standard deduction of 15% of Maryland adjusted gross income (Line 16) with minimums of \$1,800 and \$3,650 and maximums of \$2,700 and \$5,450, depending on your filing status. Use STANDARD DEDUCTION WORKSHEET (16A) for your filing status to figure your standard deduction. Write the result on Line 17 of Form 502. Then follow the instructions for EXEMPTIONS.

ITEMIZED DEDUCTION METHOD

You may itemize your deductions only if you itemized deductions on your federal return. See Instruction 14 for completing Lines 17a and b of Form 502. Enter the result on Line 17. You are not required to itemize deductions on your Maryland return simply because you itemized on your federal return. Figure your tax each way to determine which method is best for you.

EXEMPTIONS

After completing the EXEMPTIONS area on your return (page 2), enter the total exemption amount on Line 19 of Form 502.

PART-YEAR RESIDENTS AND NONRESIDENT MILITARY TAXPAYERS

You must adjust your standard or itemized deductions and exemptions. If you are a part-year resident, see Instruction 26. If you are a nonresident military member filing a joint return with your civilian spouse, see Technical Bulletin 1.

17 FIGURE YOUR MARYLAND TAX.

You must use the tax tables if your taxable income is less than \$100,000.

The 2024 Maryland tax rate schedules are shown so you can see the tax rate that applies to all levels of income; however, do not use them to figure your tax. Instead, use the tax tables if your income is under \$100,000; otherwise, use the appropriate row in the MARYLAND TAX COMPUTATION WORKSHEET SCHEDULES (17A) at the end of the tax tables to figure your tax. The tax tables and the MARYLAND TAX COMPUTATION WORKSHEET SCHEDULES I AND II have been based on these tax rate schedules.

Find the income range in the tax table that applies to the amount on Line 20 of Form 502. Find the Maryland tax corresponding to your income range. Enter the tax amount on Line 21 of Form 502. If your taxable income is \$100,000 or more, use the MARYLAND TAX COMPUTATION WORKSHEET SCHEDULES (17A) at the end of the tax table.

Calculate the Balance Due (Line 45 of Form 502) or Overpayment (Line 46 of Form 502). Read instructions under UNDERPAYMENT OF ESTIMATED TAX and then go to BALANCE DUE or OVERPAYMENT.

UNDERPAYMENT OF ESTIMATED TAX

If you had income from which tax was not withheld or did not have enough tax withheld during the year, you may have owed an estimated tax. All taxpayers should refer to Form 502UP to determine if they owe interest because they underpaid estimated tax during the year.

If you owe interest, complete Form 502UP, write the amount of interest (line 18 of Form 502UP) and check the box on Line 49 of Form 502. Attach Form 502UP.

Generally, you do not owe interest if:

- a. a. you owe less than \$500 tax on income that is not subject to Maryland withholding;
- b. b. each current year payment, made quarterly as required, is equal to or more than one-fourth of 110% of last year's tax, that was developed; OR
- c. c. you made quarterly payments during the year that equal 90% of this year's tax.
- d. d. If 90% of your taxable income was taxable to another state or your income was received unevenly, see Instruction 23 for more information.

Special rules apply if your gross income from farming or fishing is at least two-thirds of your total estimated gross income. See Form 502UP for additional information and instructions for claiming this exemption from interest.

INTEREST FOR LATE FILING

Interest is due at the rate of 11.4825% annually or 0.9568% per month for any month or part of a month that a tax is paid after the original due date of the 2024 return but before January 1, 2026. For assistance in calculating interest for tax paid on or after January 1, 2026, visit marylandtaxes.gov. Enter any interest due on the appropriate line of your tax return.

- Penalty due to 10% may be assessed by the Comptroller of Maryland for failing to pay any tax, or failing to file a tax return, when due.

TOTAL INTEREST AND PENALTY

Enter the total of interest for underpayment of estimated tax, interest for late filing, and penalty for withdrawal of funds from a First Time Homebuyer Savings Account for an ineligible purpose on Line 49 of Form 502.

- Enter 10% of the amount of any addition modification attributed to code letter "s", First Time Homebuyer Savings Account addition, for funds withdrawn for an ineligible purpose.

Note: Funds withdrawn from the account and deposited into a new First Time Homebuyer Savings Account or a disbursement of assets of a First Time Homebuyer Savings Account under an account holder's bankruptcy filing are not subject to the penalty.

BALANCE DUE

If you have a balance due, add this amount to any amount on Line 49. Enter the total on Line 50.

Pay your balance due (unless it is less than \$1.00). See Instructions 23 and 24 regarding signatures, attachments, and mailing.

OVERPAYMENT

If you file Form 502 and have an overpayment on Line 46, the Revenue Administration Division will refund any amount of \$1.00 or more. If you want part or all of your overpayment applied to your 2025 estimated tax, then write the amount you want applied on Line 47. Overpayments may first be applied to previous years' tax liabilities or other debts as required by federal or state law. If you must pay interest for underpayment of estimated tax, enter the amount of interest from Line 18 of Form 502UP on Line 49. Subtract Lines 47 and 49 from your overpayment (Line 46). This is the amount of your refund. Write this amount on Line 48. No refunds of less than \$1.00 will be sent. If the amount on Line 49 is more than the overpayment on Line 46 of Form 502, enter zero (0) on Lines 47 and 48. Then subtract Line 46 from Line 49 and enter the result on Line 50. If you prefer, you may

leave Line 49 blank and the Revenue Administration Division will calculate the interest charges and send you a bill. See Instructions 23 and 24 regarding signatures, attachments, and mailing. The length of time you have for claiming a refund is limited. See Instruction 28 for more information.

DIRECT DEPOSIT OF REFUND

To comply with banking and **National Automated Clearing House Association (NACHA)** rules, we ask you to indicate by checking the appropriate box on your return if the state refund is going to an account outside the United States. If you indicate that this is the case, **STOP!** Do not enter your routing and account numbers, as the direct deposit option is not available to you. We will send you a paper check.

By choosing direct deposit of your refund and checking the appropriate box, you authorize the State of Maryland to disclose to your bank, to the State's depository bank and their financial partners, and NACHA any tax return information necessary to make the deposit, such as your refund amount, your name, and the name(s) as it appears on the bank account. Complete Lines 51a, b, c, and d of Form 502 if you want us to deposit your refund directly into your account at a bank or other financial institution (such as a mutual fund, brokerage firm, or credit union) in the United States.

Check with your financial institution to make sure your direct deposit will be accepted and to get the correct routing and account numbers. **If you enter the incorrect account or omit any required information, the State of Maryland will not be responsible for recovering that refund and/or for making the direct deposit payment electronically.**

Line 51a.

Check the appropriate box to identify the type of account that will be used (checking or savings). You must check one box only or a refund check will be mailed.

Line 51b.

The routing number must be **nine** digits. If the first two digits are not 01 through 12 or 21 through 32, the direct deposit will be rejected and a check will be mailed.

If you are not sure of the correct routing number or if your check states that it is payable through a financial institution different from the one at which you have your checking account, contact your financial institution for the correct routing number.

Line 51c.

The account number can be up to 17 characters (both numbers and letters). Omit spaces, hyphens, and special symbols. Enter the number from left to right. If we are notified by the financial institution that the direct deposit is not successful, a refund check will be mailed to you. Have a bank statement for the deposit account available if you contact us concerning the direct deposit of your refund.

Line 51d.

Indicate the name(s) as it appears on the bank account.

DISCLOSURE By requesting a direct deposit of your Maryland tax refund and entering your bank account number, routing number, account type, and name(s) as it appears on your bank account and on your income tax return, you authorize the Comptroller's Office to disclose this information regarding your refund amount to the Maryland State Treasurer's Office (who performs banking services for the Comptroller's Office).

SPLITTING YOUR DIRECT DEPOSIT

Instead, you must enter code number **588** on one of the code number lines located to the right of the telephone number area on your return; complete, and attach Form 588. Visit marylandtaxes.gov to obtain a Form 588.

NOTE: You may not use Form 588 if you are filing Form 502INJ, Maryland Injured Spouse Claim Form, or if you plan to deposit your refund in a bank outside of the United States.

To file a fiscal year return, complete the fiscal year information at the top of Form 502, and print "FY" in bold letters in the upper left hand corner of the form. Whenever the term "tax year" appears in these instructions, fiscal year taxpayers should understand the term to mean "fiscal year." Use the 2024 forms for fiscal years which begin during calendar year 2024.

Fiscal year returns are due on the 15th day of the 4th month following the close of the fiscal year.

26 SPECIAL INSTRUCTIONS FOR PART-YEAR RESIDENTS.

Your return must show all income reported on your federal return, regardless of when or where earned. However, you are permitted to subtract income received when not a resident of Maryland. The following instructions describe the adjustments which must be made for a part-year resident return and returns filed by certain military taxpayers (see Instruction 29) and married couples who file a joint return when one spouse is not a resident of Maryland.

- a. You must file Form 502.
- b. Whenever the term "tax year" is used in these instructions, it means that portion of the year in which you were a resident of Maryland. If you began residence in Maryland in 2024, the last day of the "tax year" was December 31, 2024. If you ended residence in Maryland in 2024, the last day of the "tax year" was the day before you established residence in another state.
- c. Complete the name and address information at the top of Form 502. On Current Mailing Address Line 1, enter the street number and street name of your current address. If using a PO Box address, enter "PO Box" and the PO Box number on Current Mailing Address Line 1. On Current Mailing Address Line 2, if applicable enter the floor, suite, or apartment number for your current mailing address. If using a PO Box address, leave Current Mailing Address Line 2 blank.
- d. Complete the Maryland political subdivision information using Instruction 6. The Maryland political subdivision information includes the 4 DIGIT POLITICAL SUBDIVISION CODE, MARYLAND POLITICAL SUBDIVISION, MARYLAND PHYSICAL ADDRESS LINE 1, MARYLAND PHYSICAL ADDRESS LINE 2, CITY, ZIP CODE + 4, and MARYLAND COUNTY fields. Use the county, city, town, or taxing area of which you were a resident on the last day of your Maryland residence.
- e. Complete the filing status area using the same filing status that you used on your federal return. Married couples who file joint federal returns may file separate Maryland returns under certain circumstances. See Instruction 7. If you are a dependent taxpayer, use filing status 6.
- f. Complete the EXEMPTIONS area. Additional exemptions are allowed for age and blindness for Maryland purposes which will be computed in this area.
- g. Complete the Part-year/MILITARY area on the front of Form 502. Place a "P" in the box and show the dates of residence in Maryland. Certain military taxpayers following these instruc-

tions should place an "M" in the box and enter the non-Maryland military income. If you are both part-year and military, place a "P" and "M" in the box. Married taxpayers with different tax periods filing a joint Maryland return should enter a "D" in the box, follow the remainder of this instruction and write "different tax periods" in the dates of residence area. Married taxpayers who file a joint return when one spouse is not a resident of Maryland should place a "P" in the part year resident box and enter the name and the other state of residence of the nonresident spouse.

- h. Enter on Line 1 the adjusted gross income from your federal return for the entire year regardless of your length of residence.
- i. Complete the ADDITIONS TO INCOME area using Instruction 12. If you had losses or adjustments to income on your federal return, write on Line 5 those loss or adjustment items that were realized or paid when you **were not** a resident of Maryland.
- j. Complete the SUBTRACTIONS FROM INCOME area using Instruction 13. **You may include only subtractions from income that apply to income subject to Maryland tax.** Include on Line 12 any income received during the part of the year when you were **not** a resident of Maryland.
- k. You must adjust your standard or itemized deductions and exemptions based on the percentage of your income subject to Maryland tax. Complete the MARYLAND INCOME FACTOR WORKSHEET (26A) to figure the percentage of Maryland income to total income.
- l. If you itemize deductions, complete Lines 17a and b. Prorate the itemized deductions using the following formula:

$$\begin{array}{r} \text{NET} \\ \text{ITEMIZED} \\ \text{DEDUCTIONS} \end{array} \times \begin{array}{r} \text{MARYLAND} \\ \text{INCOME} \\ \text{FACTOR} \end{array} = \begin{array}{r} \text{MARYLAND} \\ \text{ITEMIZED} \\ \text{DEDUCTIONS} \end{array}$$

Enter the prorated amount on Line 17 of Form 502 and check the ITEMIZED DEDUCTION METHOD box. Another method of allocating itemized deductions may be allowed. Send your written request along with your completed Maryland return, a copy of your federal return including federal Schedule A and a copy of the other state's return. If the other state does not have an income tax, then submit a schedule showing the allocation of income and itemized deductions among the states. The Maryland return must be completed in accordance with the alternative method requested. This request should be sent to the Revenue Administration Division, Taxpayer Accounting Section (Special Allocations), P.O. Box 1829, Annapolis, MD 21404-1829.

- m. If you are not itemizing deductions, you must use the standard deduction. The standard deduction must be prorated using the Maryland income factor. Calculate the standard deduction using a worksheet in Instruction 16. Prorate the standard deduction using the following formula:

$$\begin{array}{r} \text{STANDARD} \\ \text{DEDUCTION} \end{array} \times \begin{array}{r} \text{MARYLAND} \\ \text{INCOME} \\ \text{FACTOR} \end{array} = \begin{array}{r} \text{PRORATED} \\ \text{STANDARD} \\ \text{DEDUCTION} \end{array}$$

Enter the prorated amount on Line 17 of Form 502 and check the STANDARD DEDUCTION METHOD box.

- n. The value of your exemptions (Line 19) must be prorated using the Maryland income factor. Prorate the exemption amount using the following formula:

$$\begin{array}{r} \text{TOTAL} \\ \text{EXEMPTION} \\ \text{AMOUNT} \end{array} \times \begin{array}{r} \text{MARYLAND} \\ \text{INCOME} \\ \text{FACTOR} \end{array} = \begin{array}{r} \text{PRORATED} \\ \text{EXEMPTION} \\ \text{AMOUNT} \end{array}$$

Enter the prorated exemption amount on Line 19 of Form 502.

- o. You must prorate your earned income, poverty level, and refundable earned income credits using the Maryland income factor.

27 FILING RETURN OF DECEASED TAXPAYER.

Enter code 321 on one of the code number lines located to the right of the telephone number area on page 4 of Form 502. Use the following special instructions:

FILING THE RETURN

If an individual required to file an income tax return dies, the final income tax return shall be filed:

- a. By the personal representative (an executor or administrator) of the individual's estate;
- b. If there is no personal representative, by the decedent's surviving spouse; or,
- c. Jointly by the personal representatives of each if both spouses are deceased.

JOINT RETURN

If the spouse of the deceased taxpayer filed a joint federal return with the decedent, generally a joint Maryland return must be filed. (See Instruction 7.)

The word "DECEASED" and the date of death should be written after the decedent's name at the top of the form. The name and title of any person, other than the surviving spouse, filing the return should be clearly noted on the form. Attach a copy of the Letters of Administration or, if the return is filed solely by the surviving spouse, attach a death certificate.

ALL OTHER RETURNS

If the return is filed by the personal representative, write the words "Estate of" before the decedent's first name and the date of death after the last name. The name and title of the person filing the return should be clearly noted on the form. Attach a copy of the Letter(s) of Administration or federal **Form 1310**.

Note: A copy of the decedent's will cannot be accepted as evidence that you are the personal representative. The address of the person claiming the deceased taxpayer's refund should be written on the Current Mailing Address lines, and the address of the deceased taxpayer should be written in the Maryland Physical address section on page 1 of **Form 502**.

If there is **no personal representative**, write the word "deceased" and the date of death after the decedent's last name. The name and title of the person filing the return should be clearly noted on the form, and a copy of federal Form 1310 **must** be attached if requesting a refund. The form can be found at **irs.gov**.

KILLED IN ACTION

Maryland will abate the tax liability for an individual who is a member of the U.S. Armed Forces at death, and dies while in active service in a combat zone or at any place from wounds, disease, or injury incurred while in active service in a combat zone. To obtain an abatement, a return must be filed. The abatement will apply to the tax year in which death occurred, and any earlier tax year ending on or after the first day the member served in a combat zone in active service.

Maryland will also abate the tax liability of an individual who dies while a military or civilian employee of the United States, if such death occurs as a result of wounds or injury incurred outside the United States in a terrorist or military action. In the case of a joint return, Maryland applies the same rules for these taxpayers as does the IRS. For more information on filing a return, see Publication 3 Armed Forces Tax Guide available at **irs.gov**. Place code number **915** on one of the lines marked "code numbers" to the right of the telephone number area, if you are filing a return for a taxpayer who was killed in action meeting the above criteria.

ESTATE TAX RETURN REQUIRED

In addition to an income tax return, a Maryland estate tax return is required for every estate whose federal gross estate, plus certain additions, equals or exceeds the Maryland estate tax exemption amount for the year of the decedent's death. For decedents dying in tax year 2019 and later, the Maryland estate tax exemption amount is \$5,000,000. An estate tax return must be filed within nine months of the date of death. For more information, see the Maryland Estate Tax Return, Form MET-1.

28 AMENDED RETURNS.

If you need to change a return that you have already filed, or if the IRS changes your return, you must file an amended return.

FILING AN AMENDED RETURN

You must file an amended return to make certain changes to your original return. These include changes in income, filing status, amount of deductions, the number of exemptions, and the amount of additions to income and subtractions from income.

Note: Changes made as part of an amended return are subject to audit for up to three years from the date the amended return is filed.

Use Form 502X to file an amended return and include a copy of your federal return. Form 502X and instructions may be obtained by visiting **marylandtaxes.gov** or by calling 410-260-7951.

CHANGES TO YOUR FEDERAL RETURN

If the IRS makes any changes to your federal return, you must notify the State of Maryland. Send notification to the Revenue Administration Division within 90 days of the final determination of the changes by the IRS. If you file an amended federal return that changes your Maryland return, you must file an amended Maryland return.

IF YOUR ORIGINAL RETURN SHOWED A REFUND

If you expect a refund from your original return, do not file an amended return until you have received your refund check. Then cash the check; do not return it. If your amended return shows a smaller refund, send a check for the difference with the amended

return. If your amended return shows a larger refund, the Revenue Administration Division will issue an additional refund check.

ADDITIONAL INFORMATION

Do not file an amended return until sufficient time has passed to allow the original return to be processed. For current year returns, allow at least six weeks.

Generally, a claim for a refund or overpayment credit must be filed within three years from the date the original return was filed or within two years from the date the tax was paid, whichever is later. An original return filed early is considered filed on the date it was due. If a claim is filed within three years after the date the original return was filed, the credit or refund may not be more than that part of the tax paid within three years, plus any extension of time for filing the return, immediately preceding the filing of the claim. If a claim is filed after the three year period, but within two years from the time the tax was paid, the refund or credit may not be more than the tax paid within two years immediately before filing the claim for a refund or credit.

A claim for refund based on a federal net operating loss carryback must be filed within three years from the due date of the return for the tax year of the net operating loss (farming loss only).

If the claim for refund resulted from a federal adjustment or final decision of a federal court which is more than three years from the date of filing the return or more than two years from the time the tax was paid, a claim for refund must be filed within one year from the date of the adjustment or final decision.

If the claim for refund resulted from a notification received from another state for income taxes due which is more than three years from the date of filing the Maryland return or more than two years from the time the tax was paid, a claim for refund resulting from a credit for taxes paid to that state must be filed within one year of the date of the notification that the other state's tax was due.

If the claim for refund or credit for overpayment resulted from a final determination made by an administrative board or an appeal of a decision of an administrative board, that is more than three years from the date of filing the return or more than two years from the time the tax was paid, the claim for refund must be filed within one year of the date of the final decision of the administrative board or final decision of the highest court to which an appeal of the administrative board is taken.

No refund for less than \$1.00 will be issued. No payment of less than \$1.00 is required.

PAYMENT VOUCHER WORKSHEET FOR ESTIMATED TAX AND EXTENSION PAYMENTS (PVW)

ESTIMATED TAX WORKSHEET INSTRUCTIONS

Purpose of declaration. The filing of a declaration of estimated Maryland income tax is a part of the pay-as-you-go plan of income tax collection adopted by the State. If you have any income such as pensions, business income, lottery, capital gains, interest, dividends, etc., from which no tax is withheld, or wages from which not enough Maryland tax is withheld, you may have to pay estimated taxes. The law is similar to the federal law.

Who must file a declaration. You must file a declaration of estimated tax if you are required to file a Maryland income tax return and your gross income would be expected to develop a tax of more than \$500 in excess of your Maryland withholding.

You must file a declaration with payment in full within 60 days of receiving \$500 or more of income from awards, prizes, lotteries or raffles, whether paid in cash or property if Maryland tax has not been withheld. A married couple may file a joint declaration. If you are filing a joint declaration, both Social Security numbers must be entered. If filing on behalf of a minor, the name and Social Security number of the minor must be entered.

When to file a declaration. You must pay at least one-fourth of the total estimated tax on Line 15 of this form on or before **April 15, 2025**. The remaining quarterly payments are due **June 15, 2025, September 15, 2025** and **January 15, 2026**. You may pay the total estimated tax with your first payment. If you are filing on a fiscal year basis, each payment is due by the 15th day of the 4th, 6th, 9th and 13th months following the beginning of the fiscal year.

Overpayment of tax. If you overpaid your 2024 income tax (Form 502 or 505), you may apply all or part of the overpayment to your 2025 estimated tax. If the overpayment applied equals or exceeds the estimated tax liability for the first quarterly payment, you are not required to file the declaration. If the overpayment applied is less than the estimated tax liability, you should file the declaration and pay the balance of the first installment.

How to estimate your 2025 tax. The worksheet is designed to develop an estimate of your 2025 Maryland and local income tax. Be as accurate as you can in forecasting your 2025 income. You may use your 2024 income tax as a guide, but if you will receive more income than you did in 2024, you must pay at least 110% of your prior year tax to avoid interest for underpayment of estimated tax. For the purpose of estimating, rounding all amounts to the nearest dollar is recommended.

Nonresidents who want to estimate 2025 Maryland taxes may use the Nonresident Estimate Tax Calculator at marylandtaxes.gov.

Specific Instructions

Line 1. Total income expected in 2025 is your estimated federal adjusted gross income.

Line 2. Net modifications. You must add certain items to your federal adjusted gross income. See Instruction 12 of the tax instructions. You may subtract certain items from federal adjusted gross income. See Instruction 13 of the tax instructions. Enter on this line the net result of additions and subtractions.

Line 4. Deductions. You may compute your tax using the standard deduction method or the itemized deduction method.

If Filing Status 2, 4, 5: If the amount computed is less than \$3,650, enter \$3,650; if the amount is between \$3,650 and \$5,450, enter that amount; if the amount is more than \$5,450, enter \$5,450.

Itemized deductions. Enter the total of federal itemized deductions less state and local income taxes.

- c. \$3,200 for each allowable dependent, other than taxpayer and spouse. The amount is doubled for allowable dependents age 65 or over.

EXTENSION WORKSHEET INSTRUCTIONS

Who must file for an extension?

If you cannot complete and file your Form 502, 505, 510C or 515 by the due date, you should complete the Tax Payment Worksheet to determine if you must file for an extension. If Line 6 of the worksheet shows you owe tax, you must file Form PV and pay the full amount due by April 15, 2025, (or the 15th day of the fourth month following the close of the tax year). If the due date falls on a Saturday, Sunday or legal holiday, the return must be filed by the next business day.

NOTE: Filing an extension does not extend the time for paying your taxes.

Do not file for an extension if, after completing the PVW, you find that you do not owe additional tax. However, be aware that if an unpaid liability is disclosed when you file your return, you may owe penalty and interest charges in addition to the tax. See **"Will penalties and interest be owed?"**.

Automatic Maryland six-month extension

If you filed a federal extension and expect to owe zero tax to Maryland we grant you an automatic six-month extension of time to file your Form 502, 505, 510C, or 515. **You are not required to file for an extension in order to obtain this automatic extension.** However, you should use Form PV to pay any tax due of forms 502, 505, and 515, but you should use Form EL102B to pay any tax due or payment with extension of Form 510C in order to avoid any late-payment penalty and interest on tax not paid by April 15, 2025.

Note: In the case of Form 510C, the PVW must be completed to estimate the payment.

Requesting a Maryland extension when not requesting a federal extension:

- (1) Request your extension by telefile at 410-260-7829 from Central Maryland or 1-800-260-3664 from elsewhere; or,
- (2) Request your extension at marylandtaxes.gov.

When should Form PV be mailed without a payment?
Never.

When requesting an extension beyond six months:

No extension request will be granted for more than six months, except in the case of individuals who are out of the United States. Even when an individual is out of the U.S. an extension will not be granted for more than one year. An extension request for beyond six months without a payment should be filed by telefile or on our website. For more information, visit marylandtaxes.gov.

When to file:

If you owe any tax, file Form PV along with your payment on or before April 15, 2025. If you are filing on a fiscal year basis, file by the regular due date of your return. If any due date falls on a Saturday, Sunday or legal holiday, the return and payment must be filed by the next business day.

How to file:

For an extension request with payment, use electronic funds withdrawal (direct debit) from savings or checking account, or to make payment(s) by credit card, visit marylandtaxes.gov; otherwise, make check or money order payable to: **COMPTROLLER OF MARYLAND.**

For returns filed with payments, attach check or money order to Form PV. Make check or money order payable to Comptroller of Maryland. On your check or money order, you must include the Social Security number/Individual Taxpayer Identification Number of the taxpayer if filing individually. If filing jointly, you must include the Social Security number/Individual Taxpayer Identification Number of the primary taxpayer, tax type, and tax year on the check/money order. Failure to include this information will delay the processing of your payment.

Mail to: **Payment Processing
PO Box 8888
Annapolis, MD 21401-8888**

Will penalties and interest be owed?

You will owe interest on tax not paid by the regular due date of your return. The interest will accrue until you pay the tax. Even if you had a good reason for not paying on time, you will still owe interest.

If tax and interest are not paid promptly, a penalty will be assessed on the tax.

When should I include a copy of Form PV if I am requesting an extension of time to file?

Only include Form PV with Form 502, 505, or 515 if you are filing an extension request along with a payment by check or money order. If you are making an extension payment electronically, you do not need to include Form PV. Do not include Form PV to request an extension if you are not making an extension payment.

Each ABLE account is limited to a total annual contribution of \$18,000 from all contributors.

A beneficiary may qualify to contribute the lesser of their earnings up to an additional \$14,580 for 2024 so long as they or their employer did not contribute to any retirement plan for the beneficiary within the taxable year.

Subtract up to \$2,500 per year for each beneficiary in a College Investment Plan. Subtractions apply to Maryland taxable income for the parent's contributions in that tax year.	\$5,000	\$380	TOTAL STATE AND LOCAL TAX SAVINGS on \$5,000 subtraction
	COMBINED ANNUAL INCOME SUBTRACTION**		

**Note that this is a hypothetical scenario assuming a 7.6% State and local tax rate with no federal deduction. The amount of savings from your State income subtraction may vary. **Account owners and contributors can each subtract contributions regardless of their marital status or tax filing status (individual or joint). A contributor need not be a parent or family member of the beneficiary to be eligible for the income subtraction.*

The Maryland Senator Edward J. Kasemeyer College Investment Plan Disclosure Statement provides investment objectives, risks, expenses and costs, fees, and other information you should read and consider carefully before investing. If you or your beneficiary live outside of Maryland, you should compare Maryland 529 to any college savings program offered by your home state or your beneficiary's home state, which may offer state tax or other state benefits such as financial aid, scholarship funds, and protection from creditors that are only available for investments in such state's 529 plan. Tax benefits may be conditioned on meeting certain requirements, such as residency purpose for or timing of distributions, or other factors, as applicable. If you receive a State contribution for any account in a given year, you are not eligible in that year for the income subtraction on your State taxes for contributions that you made to that or any other College Investment Plan account. You should consult with a tax or legal professional for additional information. T. Rowe Price Investment Services, Inc., Distributor/Underwriter of the Maryland Senator Edward J. INFORMATION REGARDING PROPERTY TAX CREDITS AND EXEMPTIONS

Under Maryland law, you may be eligible for a substantial credit on the property tax bill issued on your home, based upon your gross household income. This program is available to homeowners of all ages and the credit is calculated solely on the basis of gross income. The application form is not provided in this income tax booklet because the credits are issued as a deduction from the homeowner's July property tax bill. The property tax credit application forms are processed separately by the State Department of Assessments and Taxation.

Use the chart printed below to see if it would be worthwhile for you to submit a Homeowners' Tax Credit application. If the actual property taxes on your home (based on no more than \$300,000 of assessed value) exceed the "Tax Limit" amount shown on the table below for your household income level, you may be eligible for a credit and are urged to file an application. The table is printed for illustrative purposes, and therefore, the income amounts are listed in increments of \$1,000. For purposes of this program, the applicant must report total income, which means the combined gross household income before any deductions are taken. Nontaxable income, such as Social Security, Railroad Retirement, or Veterans' benefits, also must be reported as income for the tax credit program.

15,000	355	24,000	1,140

* For each additional \$1,000 of Income add \$90 to \$1,680 to find the amount that your tax must exceed.

If you think you might qualify on the basis of your household income, there are certain other legal requirements which you must meet. Due to space restrictions, all of the other special limitations cannot be listed in this notice. The purpose of this notice is simply to advise you of the availability of the program and to suggest that you inquire further if you think you qualify on the basis of the income chart provided above. **To obtain a Homeowners' Tax Credit application form or to receive further information about your eligibility for the program, you should telephone 410-767-4433 in the Baltimore metropolitan area or 1-800-944-7403 (toll free) for those living elsewhere in Maryland.** Applications can also be found on the SDAT website at dat.maryland.gov. The deadline for filing a Homeowners' Tax Credit application is generally October 1, 2025.

RENTERS' TAX CREDIT PROGRAM

The State of Maryland also makes available a Renters' Tax Credit of up to \$1000 a year for renters age 60 and over or those 100% disabled if they qualify on the basis of income. Renters under age 60 who have a dependent child may be eligible for a credit if certain separate income requirements are met. **To obtain a Renters' Tax Credit application form or to receive further information about the program, you may telephone 410-767-4433 in the Baltimore metropolitan area or 1-800-944-7403 (toll free) for those living elsewhere in Maryland.** Applications can also be found on the SDAT website at dat.maryland.gov. The filing deadline for the Renter's Program is October 1, 2025.

REAL PROPERTY TAX EXEMPTIONS FOR 100% DISABLED VETERANS AND BLIND PERSONS

There is a complete exemption from real property taxes on the dwelling house owned by disabled veterans with a 100% service connected permanent disability or by their surviving spouses. The State also allows an exemption on the first \$15,000 of valuation on the dwelling house owned by legally blind persons.
