# Introduction

---

The Alcohol and Tobacco Tax Division of the State Comptroller's Office is responsible for collecting alcoholic beverage and cigarette taxes and for administering and enforcing the state's alcoholic beverage and tobacco tax laws.

This report details the division's activities, including revenue collections and audits, for fiscal year 2000, beginning July 1, 1999, and ending June 30, 2000.

## Revenue

Total net receipts derived from the alcoholic beverage and tobacco taxes, license and permit fees and miscellaneous income for fiscal year 2000 amounted to \$235,288,088. A .3% decrease in the beer tax revenue, a 5.4% increase in wine tax collections and a 2.8% increase in the distilled spirits receipts contributed to an overall increase of 2.1% in alcoholic beverage tax collections compared with fiscal year 1999. The net receipts from the sale of cigarette tax stamps, \$197,622,500, reflected a 53.8% increase from the previous fiscal year. The tobacco tax yielded the largest percentage of the division's net receipts, 83.6%, while distilled spirits produced 7.5%, beer 5.7% and wine 2.7%.

## Alcohol and Tobacco Legislation

**SB6** (Chapter 220, Acts of 2000). Prohibits the purchase from tobacco product manufacturers and the sale, dispensing, distribution, and giving away of cigarettes in packages of less than 20 cigarettes. Effective October 1, 2000.

**SB271** (Chapter 247, Acts of 2000). Prohibits the sale or dispensing of a tobacco product by means of a vending machine unless the vending machine (1) is located in an establishment that minors are prohibited by law from entering, (2) is located in an establishment that is a bona fide fraternal or veterans organization, or (3) can only be operated with a token, card, or similar device that an individual can only obtain or purchase from the owner or an employee of the establishment. Effective January 1, 2001.

**SB757** (Chapter 85, Acts of 2000). Expands the definition of beer to include hard cider. Effective October 1, 2000.

**HB414** (Chapter 598, Acts of 2000). Establishes a winery special event permit that allows a Class 4 limited winery to provide free samples of wine or sell wine by the glass for consumption at the event. The winery may also sell bottles of wine for off-site consumption. Permits will be issued for events organized and conducted by a nonprofit organization or a government entity and at which the sale and promotion of alcoholic beverages is a subordinate activity. A Class 4 licensee may receive up to 12 special event permits per year though not more than one per year may be issued for use in the same political subdivision. Effective October 1, 2000.

**HB513** (Chapter 613, Acts of 2000). Increases the value of a sign that a brewer, nonresident dealer, or beer wholesaler may furnish to an alcoholic beverages retail license holder from \$50 to \$150. However, a \$50 value limit is maintained for signs that are manufactured by beer wholesalers and furnished to alcoholic beverages retailers. Effective October 1, 2000.

## Bulk Transfer Permits

When a license is issued for a partnership or proprietorship, title to the licensee's stock of alcoholic beverages can change under the Alcoholic Beverages Laws of Maryland in the following cases: death of an applicant, substitution of an applicant, addition of an applicant, when the business ceases, restructuring from a proprietorship or partnership to a corporation or vice versa.

A bulk transfer permit provides for lawful transfer of the stock of alcoholic beverages in those cases. The fee for a bulk transfer permit is \$100.

The table below indicates the bulk transfer permits issued during fiscal year 2000. The 252 permits issued represent 33 less than the previous year.
