## LOCAL INCOME TAX

Under the law the 23 Counties and Baltimore City must impose a local income tax as a percentage of net taxable income. The local income tax is imposed by ordinance or resolution of the county councils and county commissioners of the various counties and by the Mayor and City Council of Baltimore City. The local income tax rates so imposed are certified to the Comptroller, who administers the local income tax and makes periodic distributions to the counties, municipalities and special taxing districts of their share.

For calendar year 2001, the following local rates were imposed:

Allegany	2.87%	Calvert	2.55%	Charles	2.85%	Harford	3.06%	Prince George's	3.04%	Talbot	1.77%

## TAX CREDITS

**Out of State Tax Credit:** Individuals are allowed a credit against the Maryland income tax for income taxes paid to another state on net income that is properly subject to taxation in the other state, when the other state provides no credit to Maryland residents. The credit reduces the tax payable by Maryland residents by a portion of the amount of state income tax paid to the other state. The revenue of the subdivisions is not affected by this credit, as it applies to the state income tax only.

**Business Tax Credits:** Individuals are allowed credits against the Maryland income tax as claimed on Form 500CR from a sole proprietorship or pass through entity. For a complete description of available credits, please refer to the Form 500CR and its instructions.

**Earned Income Tax Credit:** Individuals are allowed a credit against the Maryland income tax for 1/2 the federal earned income credit, up to the amount of the Maryland income tax. The revenue of the subdivisions is affected by this credit, as there is also a local portion of the earned income credit. For low income individuals, a portion of the earned income credit may be refundable.

## TAX CREDITS (continued)

Poverty Level Tax Credit: Certain individuals with incomes below poverty level are allowed a credit against the Maryland income tax for a percentage of certain earned income, up to the amount of the Maryland income tax. The revenue of the subdivisions is affected by this credit as there is also a local poverty level credit.

Child and Dependent Care Tax Credit: Individuals are allowed a credit against the Maryland income tax of 32.5% of the federal child and dependent care credit claimed. The credit is phased out when federal adjusted gross income is above certain limitations. The credit can not exceed the State tax liability and may not be refunded.

Quality Teacher Incentive Tax Credit: Maryland teachers are allowed a credit for a portion of the unreimbursed cost of graduate level courses required to maintain certification. The credit can not exceed the State tax liability and may not be refunded.

Long Term Care Insurance Tax Credit: Individuals are allowed a credit of up to \$500 per covered individual for premiums paid during the tax year for long term care insurance covering themselves or their spouse, parent, step-parent, child or step-child. The credit may not be taken for the same individual by more than one taxpayer, by any taxpayer in a prior year, for an individual who is not a Maryland resident, or for an individual who was covered by long term care insurance before July 1, 2000. The credit is subject to certain maximum amounts, and can not exceed the State tax liability and may not be refunded.

Preservation and Conservation Easement Tax Credit: Individuals are allowed a credit against the Maryland income tax of up to \$5,000 per year for the donation of a perpetual easement to the Maryland Environmental Trust or the Maryland Agricultural Land Preservation Foundation. The credit can not exceed the State tax liability and may not be refunded.

Heritage Area Tax Credit (Non Refundable Portion): Individuals are allowed a credit against the Maryland income tax for a portion of the cost to rehabilitate certain certified heritage structures. For rehabilitations certified prior to July 1, 2001 this credit is not refundable.
